**Work Experience**

**Zypline Inc.** Co-founder / Director of Development Jan 2011 - Present  
Palo Alto CA  
HTML5 - CSS3 - JavaScript - jQuery- PHP5 - mySQL - Apache - Git  
Created MVC framework and libraries to expedite creation of future web apps.  
Designed & maintained relational databases, some shared between applications.  
Created multiple RESTful APIs and libraries for their use.  
Integrated oAuth services from popular sites like Linked-In and Twitter.  
Incorporated 3rd party APIs, and widgets, such as getSatisfaction, and Twilio.  
Designed and coded design of all sites, keeping images and load times to a minimum.  
Ensured sites had required cross-browser compliance.  
Used responsive design to serve site to mobile devices.  
Used Git or SVN for different projects as needed.  
Managed resources and goals depending on constantly shifting priorities.

**Gotelo Inc.** Co-founder / Web Developer Apr 2009 - Jul 2010  
Fort Lauderdale FL & Palo Alto CA  
HTML - CSS - JavaScript - PHP - mySQL  
Participated in most facets of a small startup including product marketing & business strategy.  
Responsible for designing and developing prototypes for demos and reviews.  
Designed multiple program suites following our marketing and business strategies.  
Created engineering design and specifications, use cases, and documentation for entire product suite.  
Led creative process for website redesign and registration process UI and UX.  
Represented the development team in marketing and business strategy meetings.

**Newbreed Design** Web Developer Aug 2006 - Mar 2009  
Boston MA  
HTML - CSS - JavaScript - PHP - mySQL  
A student-run web-design group, creating mostly static information websites.  
Communicated directly with clients through design & development process.

**CDM** Application Developer Co-op/Intern Jan-Jul 2006 & Jan-Jul 2007  
Cambridge MA  
HTML - CSS - ASP - ASP.net - VB - C# - SQL  
Designed, developed, and supported custom MS Access apps concurrently.  
Upgraded .NET content management systems up to best practices standards.

**Education** **Northeastern University** BS in Computer Engineering Tech. Class of 2008  
Boston MA  
Graduated Cum Laude / Tau Alpha Pi National Honor Society  
Henry T. Anderson Book award for academic excellence

**Interests** Rock Climbing - Culinary Arts - Video Games - Music - Animation

**Websites** ghlk.net

**Misc** Friendly and goofy, although sarcastic. Proficient amateur cook. Ringer in Rock Band, (finally beat that pesky rival office). Healthy dose of humor, unhealthy appreciation of horrible puns. Requires music to operate.
